REDBIRD ANNOUNCES APPOINTMENT OF DAVID PASAHOW TO ITS BOARD OF DIRECTORS

Austin, TX (February 27, 2024) – Redbird Flight (Redbird), a leading provider of flight training technology, is pleased to announce the appointment of David Pasahow to its board of directors, effective immediately.

Pasahow brings a wealth of expertise to Redbird's board of directors. In 2004, he founded Blue Line Advisors, an executive search and leadership firm focused on aerospace, transportation, and other selected sectors. With over 30 years of experience in executive and leadership consulting, he will play a pivotal role in guiding Redbird as it continues to drive innovation that delivers value to the company's customers.

"We are thrilled to welcome David to our board," said Redbird CEO Todd Willinger. "His insights gained from decades of executive leadership across multiple industries and market segments will be invaluable as we continue expanding our presence and product portfolio in K-12 schools, universities, flight schools, and the general aviation pilot market."

"I am honored to join the Redbird Flight Board of Directors during this exciting time of innovation and growth," added Pasahow. "I look forward to working with the board and management team to drive continued success for the company."

Pasahow is an instrument-rated private pilot and homebuilder. His longstanding commitment to general aviation is evidenced by his more than two decades of service on the Experimental Aircraft Association's board, where he currently serves on its Executive Committee and chairs the Human Resources and Governance Committee. He received the association's President's Award in 1995.

Pasahow also serves on the board of Conax Technologies, a company specializing in the design and manufacture of temperature sensors, compression seal fittings, and cable and harness assemblies for applications in aerospace and other industries. Previously, he served on the boards of iSECUREtrac and the Philander Chase Corporation and was elected Chief of Staff for the Commemorative Air Force, where he served as chairman of its foundation.

He holds an A.B. degree in Psychology from Kenyon College and an M.B.A from Keller Graduate School of Management.
